Ad Text This is so awful but who cares? Do you know that the United States and its allies have killed at least 3,200 civilians in more than 1,000 days of bombing? Yes, it's more than nine times the 352 deaths acknowledged by the U.S. military. Innocent Syrian civilians are dying for no reason, people in America still suffer from unemployment, injustice and police brutality, but they still spend money for bombing the Middle East.
